2018 Loving Others & Giving Back

Tulsa Association of Lease and Title Analysts

The TALTA organization is conducting its 2nd annual collection campaign, and has chosen to collect donations for the **2018 Loving Others & Giving Back**. Every year, TALTA chooses an individual(s) in need, charity, community cause or other purpose for which we feel we can reach out and better serve our community. This year, we hope you will join our organization as we collect NEW care packages for the Family & Children's Services here in Tulsa.

Family & Children's Services (F&CS) promotes, supports and strengthens the well-being and behavioral health of adults, children and families. With Christmas just around the corner, they created the Holiday Assistance program to help the neediest of individuals by collecting donations for their Santa Shop. One of their largest needs is for their homeless packages. These F&CS's elves have requested the following for their homeless packages:

- Blankets
- Clothing: Coats, gloves, socks, stocking caps
- Toiletry items: Tooth-brushes, tooth-paste, chapstick, tissues, lotion, sanitizer, hand warmers, etc.
- Snacks: Crackers, granola bars, water

TALTA will only accept care packages and items on December 12th, the date of the Holiday Luncheon. The only requirement is that everything must be NEW.

We hope you will consider joining our efforts this Holiday Season by giving back and loving others who are a little less fortunate!

Sincerely,

Angela Marshall

President, TALTA
