

2019 Transitioning with Love

Tulsa Association of Lease and Title Analysts

The TALTA organization is conducting its 3rd annual collection campaign, and has chosen to collect donations for the **2019 Transitioning with Love** event. Every year, TALTA chooses an individual(s) in need, charity, community cause or other purpose for which we feel we can reach out and better serve our community. This year, we hope you will join our organization as we collect NEW care packages for the Lindsey House here in Tulsa.

Lindsey House provides long-term shelter and supportive services to families with children; transitioning them from homelessness, learning important life skills to regain the confidence and ability to be self-sufficient. Their wish lists contain:

- dry erase markers
- \$5-\$25 gift cards (we use these for gifts, prizes, incentives for our women and teens) to places like Walmart, Target, Hobby Lobby, Reasor's, QT, etc.
- paper towels
- toilet paper
- basic cleaning supplies (dish detergent, multi-purpose cleaner, pledge, etc.)
- AA and 9 volt batteries
- sticky notes
- forever stamps
- Tulsa Public Transit bus passes
- basic school supplies (crayons, markers, notebook paper, etc.)
- socks (infant – adult)
- children's books
- child friendly board games
